MANY AT SERVICES

LARGE CROWDS ATTEND THE SPECIAL EASTER PROGRAMS

MDSIC WAS FEATURED

Reports of Centenary Drive Given at First M. E.—Decision Day at Christian Church.

The perfect spring weather yesterday brought large crowds to the Easter day services at the various churches of Maryville, and special programs were presented both at the morning and evening services in most of the places of worship.

The "Easter Victory" was the subject of the morning service at the First M. E. Church and following the sermon by the pastor Rev. Gilbert S. Cox, a cantata, "The Risen King," was presented by the choir. Miss Hunter, accompanied by organ, piano and violin, sang, "Oh, Divine Redeemer." The members of the Knights Templar organization attended the service in a body, wearing their uniforms and marching to and from the church in military formation. At the evening service, a special Easter program was given by the members of the juvenile class of the Sunday school, entitled "Life Abounding." The entire school was represented by departments in the program of musical numbers, exercises and addresses.

At the morning service Rev. Cox gave a report of the results accomplished during the past week in the Centenary campaign being made by the church. He reported $4,600 already subscribed to the fund, while from 50 to 75 homes of Maryville and vicinity have not yet been visited. It is practically assured that the church will reach its quota early this week, he said and the drive will be continued until all the homes have been canvassed.

At the Methodist Church South, the coming Easter was celebrated by a sunrise prayer meeting followed by the regular morning service at which a special program was given by the members of the Sunday School, consisting of musical programs and recitations. At the evening service Presiding Elder H. D. Thompson occupied the pulpit.

The Easter Service at the Christian Church which was observed as Orphans Home Day and Decision Day in the Bible School, was a great success. The full proceeds of the day was $412.00 and it is thought that by next Sunday the full $520.00 will beraised.

In the evening the Pageant "Our Savior, The Open Door," was given by fifty children under the direction of Mrs. F. P. Robinson. This program was arranged in song and dialogue to portray the scenes at the different Homes and Hospitals which are owned and operated throughout the United States by the Christian church.

This program was so well arranged that each part followed the other without announcement which added very materially to its success. The Flower Song given by the children with their faces forming the center of each flower, in which they represented the flowers asleep and then their awakening, was a very fitting close to a very impressive program. The decorations and and art work were planned and executed by Mrs. Vada Halley.

At the close of the program a bevy of Junior girls passed trough the audience and took up the money which amounted to $412.00. This was the largest collection ever taken at the end of a similar program.

Decision Day was observed, with the Rev. Barclay aedor making an exhortation and giving the invitation in response to which three young people came forward to confess Christ, Marian Catterson, Ralph Hudson, John Alpha Frazee.

Dr. S. A. Coile, pastor at the First Presbyterian church, took as his special Easter Day sermon yesterday, "Hearts Aflame" which was followed by the Easter communion service. Miss Helen Zenor gave a special solo and Easter hymns were sung by the entire congregation. During the Sunday school hour a special program was presented by the primary department.

The annual Easter sunrise service was held at the First Baptist church yesterday morning at 7 o'clock under the direction of the Young People's Society of the church. Special songs, recitations and a tableau were given. At the regular Sunday school service later in the morning, another program was given by the young people. at which an anthem "Come see the place where Our Lord Lay" was given by the choir, and a special duet sung by Arch Carter and Edwin Goodspeed.

At St. Mary's and St. Patrick's Catholic churches Easter was celebrated at both morning masses.

CITY CASE WAS CONTINUED

Jury Unable to Agree in McFarland Case Saturday—New Trial to Be Held April 30.

The jury in the case of the City of Maryville versus Mrs. Kate McFarland, who was recently arrested on a charge of disorderly conduct brought by Arthur H. Moore, a foreman for the Wabash railroad, was continued by Judge W. L. Johnson Saturday, when the trial jury was unable to reach an agreement. After being out several hours a split vote was returned.

Mrs. McFarland resides in the west part of town on property adjoining that of the Wabash railroad, on which Moore makes his home. Moore alleges that a horse owned by Mrs. McFarland has been permitted to roam at will, and has become a nuisance by destroying property in the vicinity. Words came up over the matter, and Moore preferred the charge against Mrs. McFarland.

The case will be re-tried in Judge Johnson's court on April 30.

LOAN DRIVE OPENS

WORK STARTED THIS MORNING TO RAISE NODAWAY'S QUOTA

DONLIN TOURS COUNTY

Over-Subscriptions to Be Rejected—Pres. Wilson Urges Support of Loan in Paris Cable.

With the work of organization fully completed, and with definite plans fully outlined for the carrying on of the campaign in this county, the Fifth Victory Loan, the last of the series made by the government for the raising of funds to defray the expense of the great war, was started this morning in Nodaway county.

Chairman C. E. Donlin of Hopkins, in charge of the drive for this district, began a tour of the towns of the county this morning, and has been busy throughout the day making the final arranagements for the campaign in the various sub-districts. The progress of the campaign in the various townships will be reported to the headquarters in the Maryville Commercial Club rooms, where the announcement will be made of the county's progress.

Individual subscriptions for amounts up to $10,000 are to be alloted in full, but those over that amount are subject to paring down in case the loan is over-subscribed.

Warning was given in the circular today, that if any interests split up their subscriptions into several of $10,000 or less, the treasury reserves the right to combine these subscriptions and make the allotment on the aggregate. Allotments will be made before June 3.

"The subscriber should indicate on the application blank whether coupon notes or registered notes are desired. All applications will be deemed to be for notes of the 4 3-4 per cent series except applications specifying the 3 3-4 per cent series, but the subscriber may, nevertheless, at any time before completion of payment, by notice in writing, elect to receive notes of either series in the first instance."

House-to-house canvassing methods will be employed by many communities in an effort to raise their quotas for the Victory Liberty Loan on the opening day and to leave the remainder of the three weeks for piling up over-subscriptions. This method, developed to a highly perfected state by a hundred or more cities and towns during the Fourth loan campaign has been adopted by many more loan organizations for the Victory drive and canvassing committees have been drilled and organized for the intensive efforts.

Since over-subscriptions to the loan are to be rejected, there would be no special purpose in any communities exceeding its allotment, except that some may not reach their quotas. Reports to the treasury today are uniformly to the effect that prospects for raising the huge loan of $4,500,000,000 were bright and that the preparations had been made to push the work to the utmost during the first week or ten days. Many cities held loan demonstrations. By the middle or latter part of the week, the treasury hopes to have the first definite reports on the volume of pledges. These reports, however, will run three of four days behind the actual progress made.

Evidence of America's purpose to redeem in full the pledges made on entering the war was asked of the nation by President Wilson who urged full subscription of the $4,500,000,000 Victory Liberty note issue. Sixty thousand men who gave their lives in France have redeemed the covenant of blood made two years ago, the President said, but the pledge of treasure remains yet to be fulfilled.

"Today the world stands freed from the theater of militarism," the president cabled from Paris, "but as yet we stand only on the threshhold of happier times. To enter, we must fulfill to the utmost the engagements we have made."

Free From Militarism.

President Wilsson's message in full follows:

"For two anxious years the American people have striven to fulfill the task of saving our civilization. By the exertion of unmeasured power they have quickly won the victory without which they would have remained in the field until the last resource had been exhausted. Bringing to the contest a strength of spirit made doubly strong by the righteousness of their cause, they devoted themselves unswervingly to the prosecution of their undertaking in the full knowledge that no conquest lay in their path excepting the conquest of right.

"Today the world stands freed from the threat of militarism which has so long weighed upon the spirit and the labor of peaceful nations.

"But as yet, we stand only on the threshold of happier times. To enter we must fulfill to the utmost the engagements we have made. The Victory Liberty Loan is the indispensable means. Two years ago we pledged our lives and our fortunes to the cause for which we have fought. Sixty thousand of our strongest sons have redeemed for us that pledge of blood. To redeem in full faith the promise of this sacrifice we now must give the new evidence of our purpose."

WILSON TO REMAIN

VIRTUALLY CERTAIN NOW THAT PRESIDENT WILL STAY AT MEET

SPECIAL CONGRESS SES'N

Will Take Up Financial Problems Next Month Held Up by Recent Filibuster—Against Secret Treaty

Paris, April 21.—President Wilson has definitely decided to call a special session of the American congress, probably on May 12, the summons being sent from France, it was learned today. It is now virtually certain that the President will be unable to return for some time. He will personally appear before Congress with the peace treaty for ratification by the senate. Therefore, it is understood that he has decided to call a session the middle of next month, in order to work out financial problems and enact appropriation bills which failed to pass at the last session because of the Republican filibuster. Wilson will not negotiate any secret agreement with France for the protection of the latter country in the event of a German attack nor will he take any action towards an "alliance" that will weaken the principal of the league of nations. This statement came from a high source close to the President today. The Italian Jugo-Slav dispute over the Fiume, which already threatens to precipitate another armed clash in Southwestern Europe, was taken up today by Lloyd George, Clemenceau and Orlando. A meeting of the "Big Four" was called off and President Wilson did not attend the session of the Premiers who are laboring to reach a decision that will be not only satisfactory to the parties to the dispute, but to the United States as well. It is freely admitted that the latest developments in the Italian situation are fraught with great dangers, inasmuch as Austria is no longer a solidified nation. With the forces of disorder gaining ascendancy in Austria, it is reported that Bolshevism is spreading throughout that country. Nothing has been heard from the American mission at Vienna since last Wednesday, and the officials are watching developments with anxious interest.

Never Once Did They Whimper

Surgeons say that through indescribable suffering the lips of maimed and mangled heroes were as sublimely silent as the cathedrals in which those broken bodies lay.

Let no man, with eyes to see and a firm, strong body to fight less cruel battles, whimper in his final reckoning with the Victory Liberty Loan when it isn't even giving, but lending!

Don't Let Catarrh Drag You into Consumption

Avoid Its Dangerous Stage.

There is a more serious stage of Catarrh than the annoyance caused by the stopped-up air passages, and the hawking and spitting and other distasteful features.

The real danger comes from the tendency of the disease to continue its course downward until the lungs become affected, and then dreaded consumption is on your path. Your own experience has taught you that the disease cannot be cured by sprays, inhalers, atomizers, jellies and other local applications.

S. S. S. has proven a most satisfactory remedy for Catarrh because it goes direct to its source, and removes the germs of the disease from the blood. Get a bottle from your druggist today, and begin the only logical treatment that gives real results. QUICK RELIEF FROM CONSTIPATION

Get Dr. Edwards' Olive Tablets

That is the joyful cry of thousands since Dr. Edwards produced Olive Tablets, the substitute for calomel.

Dr. Edwards, a practicing physician for 17 years and calomel's old-time enemy, discovered the formula for Olive Tablets while treating patients for chronic constipation and torpid livers.

Dr. Edwards' Olive Tablets do not contain calomel, but a healing, soothing vegetable laxative.

No griping is the "keynote" of these little sugar-coated, olive-colored tablets. They cause the bowels and liver to act normally. They never force them to unnatural action.

If you have a "dark brown mouth" now and then — a bad breath — a dull, tired feeling—sick headache—torpid liver and are constipated, you'll find quick, sure and only pleasant results from one or two little Dr. Edwards' Olive Tablets at bedtime.

Thousands take one or two every night just to keep right. Try them. 10c and 25c per box. All druggists.

NEBRASKA JUDGE NOW PRAISES IT

Hon. B. F. Whittington Has Gained Twenty Pounds By Taking Tanlac.

One of the distinguishing features of the introduction of Tanlac throughout the country is the large number of prominent men who have felt it their duty to disregard precedent and come forward with the unqualified endorsements of the medicine because of the benefits they have derived from its use.

The latest addition to the list of prominent endorsers is the name of Hon. Benjamin F. Whittington, judge of the Rolston Court, South Omaha, Neb. In relating his experience with Tanlac Judge Whittington said:,

"The results of Tanlac in my case certainly seem wonderful to me. Before I began taking it my health was broken in many ways, and I did not know which way to turn for relief. My liver was all out of fix. I was habitually constipated, and could not stoop over for fear of falling. My kidneys were all out of order, and in bad shape, and I had fearful pains in the small of my back. My appetite seemed to be fairly good, that I could eat, but my food did not seem to be properly assimilated. Sleep failed to rest me, and I felt tired languid and worn out all the time. I was pale, and not only felt badly but looked that way. I had been in this condition for a year and was becoming badly worried because nothing seemed to reach my case.

"I had fallen off twenty pounds in weight, as a result of my troubles, but I have gained it all back by using tanlac, and have never felt better in my life. I decided from what I read in the papers about it to try it, and I felt like a new man before I finished my first bottle. So I went right back for another and so on until I took five bottles, and now I haven't an ache or pain and am feeling great, and eat, my gracious! I eat like a farm hand, all I can get. I never saw anything like it. I sleep like a log, and get up in the mornings thoroughly refreshed and feel brim full of energy all day long. All the time I was taking Tanlac I was doing three mens work, and improving at the same time. Now this is just what Tanlac has done for me, and I gladly give this statement for what it may be worth to others who are trying to find relief."

Tanlac is sold in Maryville by the Koch Pharmacy and by A. M. Colly, Conception Junction; H. M. Lincoln, Pickering, and Carter Pharmacy, Burlington Junction, Mo., and in Barnard by Bear Drug Store, in Elmo by King Drug Co., and in Clearmont by Dr. W. H. Wiley.—Adv.

HARD ON SHOES? THEN READ THIS

"I marched through the mud of Flanders, through a large part of the Lorraine sectors, and lastly from Chateau Thierry to Fismes, and my shoes with Neolin Soles are still in good condition. For five months I alternated these shoes with two other pairs, which are now worn out, but the Neolin Soles look as if they had another five good months of wear left in them." Written by Lieut. Edgerly Austin, American Expeditionary Forces, France—October 17th, 1918.

This is exceptional service, all army men will agree. Civilians rarely give their shoes usage such as this; but if they are hard on shoes, and want to cut their shoe bills down, let them try Neolin-soled shoes. These shoes are obtainable at most shoe stores in many good styles for men, women and children.

Or have your old shoes re-bottomed with Neolin Soles. You will find these scientifically made soles are comfortable and waterproof, as well as long-wearing. They are made by The Goodyear Tire & Rubber Co., Akron, Ohio, who also make Wingfoot Heels—guaranteed to outwear all other heels.

For Colds, Catarrh, or Influenza.

Do you feel weak and unequal to the work ahead of you? Do you still cough a little, or does your nose bother you? Are you pale? Is your blood thin and watery? Better put your body into shape. Build strong!

An old, reliable blood-maker and herbal tonic made from wild roots and barks, is Dr. Pierce's Golden Medical Discovery. This "nature remedy" comes in tablet or liquid form. It will build up your body, cure your cold, and protect you from disease germs which lurk everywhere. One of the active ingredients of this temperance alterative and tonic is wild cherry bark with stillingia, which is so good for the lungs and for coughs; also Oregon grape root, blood root, stone root, Queen's root, — all skilfully combined in the Medical Discovery. These roots have a direct action on the stomach, improving digestion and assimilation. These herbal extracts in the "Discovery" aid in blood-making, and are best for scrofula. By improving the blood they aid in throwing off an attack of influenza.

Catarrh should be treated, first, as a blood disease, with this alterative. Then, in addition, the nose should be washed daily with Dr. Sage's Catarrh Remedy.

Send 10c for trial pkg. of Medical Discovery Tablets or Catarrh Tablets to Dr. Pierce, Invalids' Hotel, Buffalo, N. Y.

MANY AT SERVICES

LARGE CROWDS ATTEND THE SPECIAL EASTER PROGRAMS

MDSIC WAS FEATURED

Reports of Centenary Drive Given at First M. E.—Decision Day at Christian Church.

The perfect spring weather yesterday brought large crowds to the Easter day services at the various churches of Maryville, and special programs were presented both at the morning and evening services in most of the places of worship.

The "Easter Victory" was the subject of the morning service at the First M. E. Church and following the sermon by the pastor Rev. Gilbert S. Cox, a cantata, "The Risen King," was presented by the choir. Miss Hunter, accompanied by organ, piano and violin, sang, "Oh, Divine Redeemer." The members of the Knights Templar organization attended the service in a body, wearing their uniforms and marching to and from the church in military formation. At the evening service, a special Easter program was given by the members of the juvenile class of the Sunday school, entitled "Life Abounding." The entire school was represented by departments in the program of musical numbers, exercises and addresses.

At the morning service Rev. Cox gave a report of the results accomplished during the past week in the Centenary campaign being made by the church. He reported $4,600 already subscribed to the fund, while from 50 to 75 homes of Maryville and vicinity have not yet been visited. It is practically assured that the church will reach its quota early this week, he said and the drive will be continued until all the homes have been canvassed.

At the Methodist Church South, the coming Easter was celebrated by a sunrise prayer meeting followed by the regular morning service at which a special program was given by the members of the Sunday School, consisting of musical programs and recitations. At the evening service Presiding Elder H. D. Thompson occupied the pulpit.

The Easter Service at the Christian Church which was observed as Orphans Home Day and Decision Day in the Bible School, was a great success. The full proceeds of the day was $412.00 and it is thought that by next Sunday the full $520.00 will beraised.

In the evening the Pageant "Our Savior, The Open Door," was given by fifty children under the direction of Mrs. F. P. Robinson. This program was arranged in song and dialogue to portray the scenes at the different Homes and Hospitals which are owned and operated throughout the United States by the Christian church.

This program was so well arranged that each part followed the other without announcement which added very materially to its success. The Flower Song given by the children with their faces forming the center of each flower, in which they represented the flowers asleep and then their awakening, was a very fitting close to a very impressive program. The decorations and and art work were planned and executed by Mrs. Vada Halley.

At the close of the program a bevy of Junior girls passed trough the audience and took up the money which amounted to $412.00. This was the largest collection ever taken at the end of a similar program.

Decision Day was observed, with the Rev. Barclay aedor making an exhortation and giving the invitation in response to which three young people came forward to confess Christ, Marian Catterson, Ralph Hudson, John Alpha Frazee.

Dr. S. A. Colle, pastor at the First Presbyterian church, took as his special Easter Day sermon yesterday, "Hearts Aflame" which was followed by the Easter communion service. Miss Helen Zenor gave a special solo and Easter hymns were sung by the entire congregation. During the Sunday school hour a special program was presented by the primary department.

The annual Easter sunrise service was held at the First Baptist church yesterday morning at 7 o'clock under the direction of the Young People's Society of the church. Special songs, recitations and a tableau were given. At the regular Sunday school service later in the morning, another program was given by the young people, at which an anthem "Come see the place where Our Lord Lay" was given by the choir, and a special duet sung by Arch Carter and Edwin Goodspeed.

At St. Mary's and St. Patrick's Catholic churches Easter was celebrated at both morning masses.

CITY CASE WAS CONTINUED

Jury Unable to Agree in McFarland Case Saturday—New Trial to Be Held April 30.

The jury in the case of the City of Maryville versus Mrs. Kate McFarland, who was recently arrested on a charge of disorderly conduct brought by Arthur H. Moore, a foreman for the Wabash railroad, was continued by Judge W. L. Johnson Saturday, when the trial jury was unable to reach an agreement. After being out several hours a split vote was returned.

Mrs. McFarland resides in the west part of town on property adjoining that of the Wabash railroad, on which Moore makes his home. Moore alleges that a horse owned by Mrs. McFarland has been permitted to roam at will, and has become a nuisance by destroying property in the vicinity. Words came up over the matter, and Moore preferred the charge against Mrs. McFarland.

The case will be re-tried in Judge Johnson's court on April 30.

LOAN DRIVE OPENS

WORK STARTED THIS MORNING TO RAISE NODAWAY'S QUOTA

DONLIN TOURS COUNTY

Over-Subscriptions to Be Rejected—Pres. Wilson Urges Support of Loan in Paris Cable.

With the work of organization fully completed, and with definite plans fully outlined for the carrying on of the campaign in this county, the Fifth Victory Loan, the last of the series made by the government for the raising of funds to defray the expense of the great war, was started this morning in Nodaway county.

Chairman C. E. Donlin of Hopkins, in charge of the drive for this district, began a tour of the towns of the county this morning, and has been busy throughout the day making the final arranagements for the campaign in the various sub-districts. The progress of the campaign in the various townships will be reported to the headquarters in the Maryville Commercial Club rooms, where the announcement will be made of the county's progress.

Individual subscriptions for amounts up to $10,000 are to be alloted in full, but those over that amount are subject to paring down in case the loan is over-subscribed.

Warning was given in the circular today, that if any interests split up their subscriptions into several of $10,000 or less, the treasury reserves the right to combine these subscriptions and make the allotment on the aggregate. Allotments will be made before June 3.

"The subscriber should indicate on the application blank whether coupon notes or registered notes are desired. All applications will be deemed to be for notes of the 4 3-4 per cent series except applications specifying the 3 3-4 per cent series, but the subscriber may, nevertheless, at any time before completion of payment, by notice in writing, elect to receive notes of either series in the first instance."

House-to-house canvassing methods will be employed by many communities in an effort to raise their quotas for the Victory Liberty Loan on the opening day and to leave the remainder of the three weeks for piling up over-subscriptions. This method, developed to a highly perfected state by a hundred or more cities and towns during the Fourth loan campaign has been adopted by many more loan organizations for the Victory drive and canvassing committees have been drilled and organized for the intensive efforts.

Since over-subscriptions to the loan are to be rejected, there would be no special purpose in any communities exceeding its allotment, except that some may not reach their quotas. Reports to the treasury today are uniformly to the effect that prospects for raising the huge loan of $4,500,000,000 were bright and that the preparations had been made to push the work to the utmost during the first week or ten days. Many cities held loan demonstrations. By the middle or latter part of the week, the treasury hopes to have the first definite reports on the volume of pledges. These reports, however, will run three of four days behind the actual progress made.

Evidence of America's purpose to redeem in full the pledges made on entering the war was asked of the nation by President Wilson who urged full subscription of the $4,500,000,000 Victory Liberty note issue. Sixty thousand men who gave their lives in France have redeemed the covenant of blood made two years ago, the President said, but the pledge of treasure remains yet to be fulfilled.

"Today the world stands freed from the theater of militarism," the president cabled from Paris, "but as yet we stand only on the threshhold of happier times. To enter, we must fulfill to the utmost the engagements we have made."

Free From Militarism.

President Wilsson's message in full follows:

"For two anxious years the American people have striven to fulfill the task of saving our civilization. By the exertion of unmeasured power they have quickly won the victory without which they would have remained in the field until the last resource had been exhausted. Bringing to the contest a strength of spirit made doubly strong by the righteousness of their cause, they devoted themselves unswervingly to the prosecution of their undertaking in the full knowledge that no conquest lay in their path excepting the conquest of right.

"Today the world stands freed from the threat of militarism which has so long weighed upon the spirit and the labor of peaceful nations.

"But as yet, we stand only on the threshold of happier times. To enter we must fulfill to the utmost the engagements we have made. The Victory Liberty Loan is the indispensable means. Two years ago we pledged our lives and our fortunes to the cause for which we have fought. Sixty thousand of our strongest sons have redeemed for us that pledge of blood. To redeem in full faith the promise of this sacrifice we now must give the new evidence of our purpose."

WILSON TO REMAIN

VIRTUALLY CERTAIN NOW THAT PRESIDENT WILL STAY AT MEET

SPECIAL CONGRESS SES'N

Will Take Up Financial Problems Next Month Held Up by Recent Filibuster—Against Secret Treaty

Paris, April 21.—President Wilson has definitely decided to call a special session of the American congress, probably on May 12, the summons being sent from France, it was learned today. It is now virtually certain that the President will be unable to return for some time. He will personally appear before Congress with the peace treaty for ratification by the senate. Therefore, it is understood that he has decided to call a session the middle of next month, in order to work out financial problems and enact appropriation bills which failed to pass at the last session because of the Republican filibuster. Wilson will not negotiate any secret agreement with France for the protection of the latter country in the event of a German attack nor will he take any action towards an "alliance" that will weaken the principal of the league of nations. This statement came from a high source close to the President today. The Italian Jugo-Slav dispute over the Fiume, which already threatens to precipitate another armed clash in Southwestern Europe, was taken up today by Lloyd George, Clemenceau and Orlando. A meeting of the "Big Four" was called off and President Wilson did not attend the session of the Premiers who are laboring to reach a decision that will be not only satisfactory to the parties to the dispute, but to the United States as well. It is freely admitted that the latest developments in the Italian situation are fraught with great dangers, inasmuch as Austria is no longer a solidified nation. With the forces of disorder gaining ascendancy in Austria, it is reported that Bolshevism is spread ing throughout that country. Nothing has been heard from the American mission at Vienna since last Wednesday, and the officials are watching developments with anxious interest.

Never Once Did They Whimper

Surgeons say that through indescribable suffering the lips of maimed and mangled heroes were as sublimely silent as the cathedrals in which those broken bodies lay.

Let no man, with eyes to see and a firm, strong body to fight less cruel battles, whimper in his final reckoning with the Victory Liberty Loan when it isn't even giving, but lending!

Buy, as they gave, to the full limit of your cash and resources.

Don't Let Catarrh Drag You into Consumption

Avoid Its Dangerous Stage.

There is a more serious stage of Catarrh than the annoyance caused by the stopped-up air passages, and the hawking and spitting and other distasteful features.

The real danger comes from the tendency of the disease to continue its course downward until the lungs become affected, and then dreaded consumption is on your path. Your own experience has taught you that the disease cannot be cured by sprays, inhalers, atomizers, jellies and other local applications.

S. S. S. has proven a most satisfactory remedy for Catarrh because it goes direct to its source, and removes the germs of the disease from the blood. Get a bottle from your druggist today, and begin the only logical treatment that gives real results. You can obtain special medical advice without charge by writing to Medical Director, 27 Swift Laboratory, Atlanta, Ga.

QUICK RELIEF FROM CONSTIPATION

Get Dr. Edwards' Olive Tablets

That is the joyful cry of thousands since Dr. Edwards produced Olive Tablets, the substitute for calomel.

Dr. Edwards, a practicing physician for 17 years and calomel's old-time enemy, discovered the formula for Olive Tablets while treating patients for chronic constipation and torpid livers.

Dr. Edwards' Olive Tablets do not contain calomel, but a healing, soothing vegetable laxative.

No griping is the "keynote" of these little sugar-coated, olive-colored tablets. They cause the bowels and liver to act normally. They never force them to unnatural action.

If you have a "dark brown mouth" now and then — a bad breath — a dull, tired feeling—sick headache—torpid liver and are constipated, you'll find quick, sure and only pleasant results from one or two little Dr. Edwards' Olive Tablets at bedtime.

Thousands take one or two every night just to keep right. Try them. 10c and 25c per box. All druggists.

MRS. DOOLEY'S ADVICE TO WORKING GIRLS

Milwaukee, Wis.—"I wish all girls who work and suffer from functional disorders would profit by my advice and take Lydia E. Pinkham's Vegetable Compound. Before I was married, when I came home from work at night, I would be just worn out with pains which dragged me down. I took Lydia E. Pinkham's Vegetable Compound and it made me feel like a new woman. I can work from morning until night and it does not bother me, and I wish all girls who suffer as I did would try Lydia E. Pinkham's Vegetable Compound."—Mrs. H. DOOLEY, 1135 25th Street, Milwaukee, Wis.

Working girls everywhere should profit by Mrs. Dooley's experience, and instead of dragging along from day to day with life a burden, give this famous root and herb remedy, Lydia E. Pinkham's Vegetable Compound a trial. It has overcome just such conditions for thousands of others, and why not for you? For special advice, write Lydia E. Pinkham Medicine Co., Lynn, Mass. The result of their 40 years experience is at your service.

NEBRASKA JUDGE NOW PRAISES IT

Hon. B. F. Whittington Has Gained Twenty Pounds By Taking Tanlac.

One of the distinguishing features of the introduction of Tanlac throughout the country is the large number of prominent men who have felt it their duty to disregard precedent and come forward with the unqualified endorsements of the medicine because of the benefits they have derived from its use.

The latest addition to the list of prominent endorsers is the name of Hon. Benjamin F. Whittington, judge of the Rolston Court, South Omaha, Neb. In relating his experience with Tanlac Judge Whittington said:

"The results of Tanlac in my case certainly seem wonderful to me. Before I began taking it my health was broken in many ways, and I did not know which way to turn for relief. My liver was all out of fix. I was habitually constipated, and could not stoop over for fear of falling. My kidneys were all out of order, and in bad shape, and I had fearful pains in the small of my back. My appetite seemed to be fairly good, that I could eat, but my food did not seem to be properly assimilated. Sleep failed to rest me, and I felt tired languid and worn out all the time. I was pale, and not only felt badly but looked that way. I had been in this condition for a year and was becoming badly worried because nothing seemed to reach my case.

"I had fallen off twenty pounds in weight, as a result of my troubles, but I have gained it all back by using tanlac, and have never felt better in my life. I decided from what I read in the papers about it to try it, and I felt like a new man before I finished my first bottle. So I went right back for another and so on until I took five bottles, and now I haven't an ache or pain and am feeling great, and eat, my gracious! I eat like a farm hand, all I can get. I never saw anything like it. I sleep like a log, and get up in the mornings thoroughly refreshed and feel brim full of energy all day long. All the time I was taking Tanlac I was doing three mens work, and improving at the same time. Now this is just what Tanlac has done for me, and I gladly give this statement for what it may be worth to others who are trying to find relief."

Tanlac is sold in Maryville by the Koch Pharmacy and by A. M. Colly, Conception Junction; H. M. Lincoln, Pickering, and Carter Pharmacy, Burlington Junction, Mo., and in Barnard by Bear Drug Store, in Elmo by King Drug Co., and in Clearmont by Dr. W. H. Wiley.—Adv.

HARD ON SHOES? THEN READ THIS

"I marched through the mud of Flanders, through a large part of the Lorraine sectors, and lastly from Chateau Thierry to Fismes, and my shoes with Neolin Soles are still in good condition. For five months I alternated these shoes with two other pairs, which are now worn out, but the Neolin Soles look as if they had another five good months of wear left in them." Written by Lieut. Edgerly Austin, American Expeditionary Forces, France—October 17th, 1918.

This is exceptional service, all army men will agree. Civilians rarely give their shoes usage such as this; but if they are hard on shoes, and want to cut their shoe bills down, let them try Neolin-soled shoes. These shoes are obtainable at most shoe stores in many good styles for men, women and children.

Or have your old shoes re-bottomed with Neolin Soles. You will find these scientifically made soles are comfortable and waterproof, as well as long-wearing. They are made by The Goodyear Tire & Rubber Co., Akron, Ohio, who also make Wingfoot Heels—guaranteed to outwear all other heels.

For Colds, Catarrh, or Influenza.

Do you feel weak and unequal to the work ahead of you? Do you still cough a little, or does your nose bother you? Are you pale? Is your blood thin and watery? Better put your body into shape. Build strong!

An old, reliable blood-maker and herbal tonic made from wild roots and barks, is Dr. Pierce's Golden Medical Discovery. This "nature remedy" comes in tablet or liquid form. It will build up your body, cure your cold, and protect you from disease germs which lurk everywhere. One of the active ingredients of this temperance alterative and tonic is wild cherry bark with stillingia, which is so good for the lungs and for coughs; also Oregon grape root, blood root, stone root, Queen's root,—all skilfully combined in the Medical Discovery. These roots have a direct action on the stomach, improving digestion and assimilation. These herbal extracts in the "Discovery" aid in blood-making, and are best for scrofula. By improving the blood they aid in throwing off an attack of influenza.

Catarrh should be treated, first, as a blood disease, with this alterative. Then, in addition, the nose should be washed daily with Dr. Sage's Catarrh Remedy.

Send 10c for trial pkg. of Medical Discovery Tablets or Catarrh Tablets to Dr. Pierce, Invalids' Hotel, Buffalo, N. Y.
